July Bike Week

In the **Infant Class** we will be learning all about cars and trucks! We will learn the colors and also count truck and cars. Also with counting we will count the wheels on vehicles.

The **Toddler Two** class will be talking about airplanes and things we see in the sky. We will decorate and fly our own paper airplanes, read books on airplanes and hot air balloons, and practice tracing the letter A.

Bike week is here! This week the **Preschoolers** will learn about bike safety as well as put that knowledge to the test by riding their very own bikes here at Morningstar! Please bring your child's bike everyday with their helmet. Students who come to school without a helmet will not be able to ride their bike at school. If you would like to keep your child's bike at school, feel free to store it on the porch. Morningstar Learning Center is not responsible for your child's bike. We are excited for our fun filled week of learning about the many different aspects of biking.
