SUNSCREEN

Please send in a **new, unexpired lotion sunscreen** with your child to MLC. As we head into warmer days, families are asked to apply sunscreen to their child before bringing them to MLC. The teachers will help children reapply as needed. *Spray sunscreen is not allowed in daycare facilities.*

Also, please make sure your child has appropriate outdoor clothing such as sun hats, rain boots/closed toed shoes and light jackets.

Please be mindful of our teachers' time during child pick-up at the end of the day. They are happy to discuss your child's day with you and answer any questions you may have, but please understand they have end-of-the day tasks to accomplish and a schedule to adhere to.

Thank you!

Spanish and Dance Class

This month in **Spanish**, Ms. Karla will be teaching them about insects, gardening and camping all in SPANISH!

This month the **dance class** is going to try something a bit different! We are going to work on some tumbling moves such as small poses on our hands and somersaults. Also, we will work on some different jumps that use our ballet technique we've been honing, but will allow dancers to jump in new ways.

Congratulations to all our Preschool Graduates!!

Please send any pictures or videos from Graduation! We would love to see them!
