June Camping

In the **Infant Class** we get to talk about camping and all the fun things families get to do when out camping. We will be doing art projects throughout the week.

This week the **Toddler Two's Class** will go camping in our own classroom! We will build forts, read books by flashlight, paint with marshmallows, and act out animals we might see while camping.

Spanish and Dance Class

This month in **Spanish**, Ms. Karla will be teaching them about insects, gardening and camping all in SPANISH!

This month the **dance class** is going to try something a bit different! We are going to work on some tumbling moves such as small poses on our hands and somersaults. Also, we will work on some different jumps that use our ballet technique we've been honing, but will allow dancers to jump in new ways.
