Spanish and Dance Class

During the month of March, the **Spanish Class** will be learning all about our family members! We will practice saying mi familia as well as learning the words for mother, father, brother, sister and grandparents. Below is a link if you would like to practice with your child at home.

This month the **Dance Class** will continue working on stretches, basic ballet positions, and some new choreography to a new song. The kiddos have done a good job following along with the choreography this month, and now they will practice remembering what they have learned from week to week. Below is a link to the song we will be dancing to this month.

PARENT VOLUNTEERS IN THE CLASSROOM

WHEN PARENTS PITCH IN TO HELP TEACHERS, WHO WINS? OUR KIDS!

WE NEED YOUR HELP!!

DO YOU WANT A CREDIT TO YOUR ACCOUNT?

We need volunteers for the Month of March to help out in our classrooms! If you volunteer we will credit your account \$50 for a half day (5 hours) and \$100 for a full day (9 hours). Due to staff shortages we capped our enrollment in each room. Until we can find teacher's aides, it will remained capped!

March Stars and Constellations

The **Infant Class** will be learning about space and stars. We will be doing a lot of art and looking at pictures with the planets and the stars in the sky. This Monday we are going to have a pajama party as we learn about stars!

This week the **Toddler Two's Class** will be traveling through space; learning about the planets and stars

Color: **Black**
Number: 3
Letter: S (Star)

Reach for the stars! This week the **Toddler Three's** will be learning about what it means when the stars connect to one another creating constellations

Color: Yellow
Number: 4
Letter: C

This week in the **Preschool Class**, to continue our theme on Space, we will be learning about stars and what makes a constellation. Ask your child "what is our closest star?" Point out some of the more obvious constellations and maybe this summer, when you're out camping, show them the milky way.
