SUNSCREEN

Please send in a **new, unexpired lotion sunscreen** with your child to MLC. As we head into warmer days, families are asked to apply sunscreen to their child before bringing them to MLC. The teachers will help children reapply as needed. *Spray sunscreen is not allowed in daycare facilities.*

Also, please make sure your child has appropriate outdoor clothing such as sun hats, rain boots/closed toed shoes and light jackets.

The **Infant Class** will be learning about two different kinds of insects. Grasshoppers and ants! They are going to learn how they walk, talk and the food that they eat. They will also be doing lots of fun art projects and an exciting science experiment!

This week the **Toddler Two's Class** will become their own little artists and create their own works of art!

Spanish and Dance Class

During the month of May, the **Spanish Class** will be learning all about SHAPES. They will practice saying all the different shapes as well as tracing them.

This month the **Dance Class** will continue going over 1st, 2nd, 3rd, 4th and 5th position. The dancers will work on some more classical ballet choreography that will be similar to a variation. Of course, we'll continue our stretching and freeze dance!

PRESCHOOL GRADUATION

Preschool Graduation for students entering Kindergarten in the fall will be **June 1, 2018 at 4:30 p.m.** All the MLC classes will attend and encourage families to come and support these students. After graduation we will have light refreshments for all to enjoy!

In preschool this week, we will be wrapping up our month learning about artists by exploring the works of local artists. We have a special guest speaker coming to talk to us each morning about their art each day this week. Artists like, Dasha Bough, Heather Rapp, John Zirkle and Lorri Lagerbloom. If you see them in the community, please thank them for taking the time out of their busy schedules to come and share their art with our children!
