October Health Care Week

This week the **Infants** are going to continue to learn about our community helpers. Last week it was about police and our local firefighters and this coming week we are learning about our Doctors and Nurses. We are going to do lots of art projects and pretend play doctors and nurses.

The **Toddler Two's Class** will be learning about doctors and nurses this week. We will talk about the hospital, ambulances and what number to call in case of an emergency. On Friday we will take a field trip to the MT Corn Maze!

Outdoor Clothing

Parents, as the cold weather approaches please make sure you are packing appropriate clothing for your child. Coats, light mittens, snow boots etc. We want our students to be able to go outside while staying warm and dry!

Checking In & Out

Parents please make sure you are checking your child in & out on a **daily basis!** If you have forgotten your pin/password please see Stephanie or Lori in the office and we can set you up with a new one!

Spanish & Dance Class

This month in **Spanish**, Ms. Karla will be teaching the Preschoolers action words! They will also continue practicing their Good Morning song, Days of the Week, Months of the Year, ABC's and a new song that will include their newly learned action words!
 Song: [La Gallina Josefina](#).

This month the **dancers** will continue to go over first, second, and fourth position as well as reviewing plies. We will move on to covering tendus, the straightening of the leg to any direction and pointing the toe, and passes, the connection of the pointed toe to a knee. These tendus and passes will turn into ballet walks and passe walks which the dancers will practice moving across the floor. We will end the lessons with the freeze dance! Use the [link](#) to find a picture of what a retiré looks like, another name for passe in different schools of ballet.
