February Healthy Bodies & Nutrition

Next week the **Infant Class** will explore how eating healthy and nutritious food helps us grow up to be nice and strong.

The **Toddler Two's Class** will be learning about healthy foods! We will be talking about our favorite healthy snacks and reading The Very Hungry Caterpillar.

This week our active **preschoolers** will be learning how nutrition plays a BIG roll in our bodies ability to do the things we love! We will be looking at what the five different food groups and why it's important to eat a variety of foods from these groups. We will also find out how nutrition paired with exercise creates a healthy body.

Please welcome **Kira Oliver** to the MLC team. Kira worked at MLC in the infant classroom during the summer of 2018 and has since decided to come back. We are so excited for her and her daughter, Kali to be a part of the MLC team again! Kira will be working in our Toddler Three's room. Please be sure to say hello!

This past week the Preschoolers learned about germs!

Here Ms. Lori sprinkled glow-germ on many objects around the classroom. Students were able to "see" just how many germs are around the classroom on a day to day basis and the importance of washing our hands!

Dance Class

This month the dancers will continue working on some jumping patterns and balance exercises. We will review our somersaults, which the dancers have nailed, and move on to some bridges and backbends. As per usual, we'll end with our freeze dance!

Spanish Class

This month is Spanish, the students will be learning ALL ABOUT ME! "TODO SOBRE MI" They will practicing saying "my name is.." in Spanish as well as learning "Cabeza, hombros, rodillas y pies" (Head, Shoulders, Knees and Toes) The students have been doing so well with counting, Ms. Karla now will be testing their number recognition in Spanish.
