February Theme: Relationships

This next month all the classrooms surrounding this theme.

Classrooms will be conducting their own **Valentine's Day** activities.

All classrooms encourage kids to make Valentine's Day Cards for their classmates. Please talk to your child's Lead Teacher if you would like student name lists and any extra information regarding the class activities.

The **Infant Class** will continue their book Hands are not for Hitting and work on learning their new song "Bluebird." They are doing well with learning sign language and will start learning about Family and Friends (how to be one). **Please send a family photo** to help solidify family concepts.

The **Toddler Class** will celebrate Valentine's Day and Friendship. They will learn new sign language for: I love you, share, help, play, sorry, excuse me, and thank you. they will learn the letter "V". **Please send a family photo.**

This week the **Preschool Class** will continue their study of relationships with a focus on family and pets. **Families are encouraged to send in photos of pets and/or family members for show and share.** In class they will be discussing the importance of family, the many differences families can have, and the one important thing they all have in common...LOVE!

Director's Desk

Infant Building Update

This week surveyors and excavators came on site. Test pits were dug for soil analysis. Our architect and engineer are working together to develop the plans for the building.

Spring Quarterly Enrollment

This month, families will be asked to submit their **Spring Quarterly Enrollment** by the 15th. This includes the months of March, April and May. Billing will continue to be charged on a monthly basis. March 1st is the start of Spring Quarter and on that date our new Sick Day Policy will go into effect.

Stephanie Kissell Office Hours:
M, W, R, F: 8:30-10:00am

Faye Telios Office Hours:
Wednesdays: 8-9:30am

Or By Appointment

Looking Ahead....

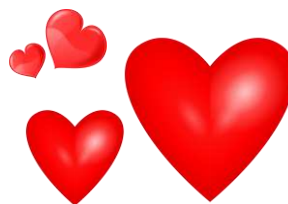

Friday, March 3rd is a Staff PIR Day and is **closed** to students. Please make your childcare plans as soon as possible. The Lone Peak Playhouse has some availability for kids older than 2 years; please call asap @ 993-2220.

Preschool Families:

Please make sure your children are bringing their toys **ONLY** on their scheduled Show and Share days. This will help teachers and students to keep a smoothly-running classroom.
