July 2017 Camping

The **Infant Class** will continue working with the letter "H". They will be outside "camping" for creative play and will learn a special campfire ABC song.

This week is all about camping! The **Toddler Class** will learn about all the fun stuff to do while camping. They will learn to catch fireflies, paint with marshmallows, have a pretend campfire and maybe even roast S'mores.

In **Preschool Summer Camp** students will participate in flashlight reading, making handprint campfires, and going for a hike with a special treat at the end! **Please send your child to school with a flashlight.**

This month, the **Spanish Class** will be learning the days of the week in Spanish. They will continue to practice their colors, numbers, and greetings in Spanish.
