BIKE WEEK

The **Infant Class** will be playing with the small bikes outside. We will also continue to enjoy our Water Wednesday's by playing by the sensory table or water activities set up in the yard. They love listening to books and dancing to music, which is a highlight of the day for some of them. They will be learning the letter "G".

This week the **Toddler Class** will be cruising into bike week. They will go over bike safety, the letter "B" and practice riding bikes around different obstacles.

In **Preschool Summer Camp** will be riding and learning all about bikes. They will be learning about all the different parts of the bike and road safety. Please bring your child's bike to preschool next week and also a helmet. Please park their bikes by the ramp.

This month, the **Spanish Class** will be learning the days of the week in Spanish. They will continue to practice their colors, numbers, and greetings in Spanish.

Our cribs have arrived!

A recent grant from Moonlight Community Foundation gave us the funds to purchase new cribs for our Infant Room.

The kids enjoying playing instruments for music week!

Outside Morning Drop-Off

MLC teachers have created a schedule for outside morning drop-off times. On your child's classroom outside morning drop off day, we will post signs for families so they know to bring their child outside.

Cold Lunch

Please send your child to school with cold lunches during Summer Quarter. Many days the Preschool and Toddler Classrooms go outside for snack and lunch and don't have access to microwaves.

Quarterly Parent Informational Meeting

It's time for another Parent Informational Night!
Friday, July 21st at 6:00pm.
