Resort Tax Board Update

On Wednesday, June 14, the Big Sky Resort Tax Board voted and approved MLC's ask for \$281,948 to fund our new Infant Building. They also approved another \$90,000 to go towards our Tuition Reduction Program. This is the \$10/day discount per child that each local family receives.

We are incredibly thankful for the BSRT Board's ongoing support of our facility. With this money, we have been able to offer more affordable tuition and can continue to do so through July 2018. We are also now able to begin construction on our Infant Building.

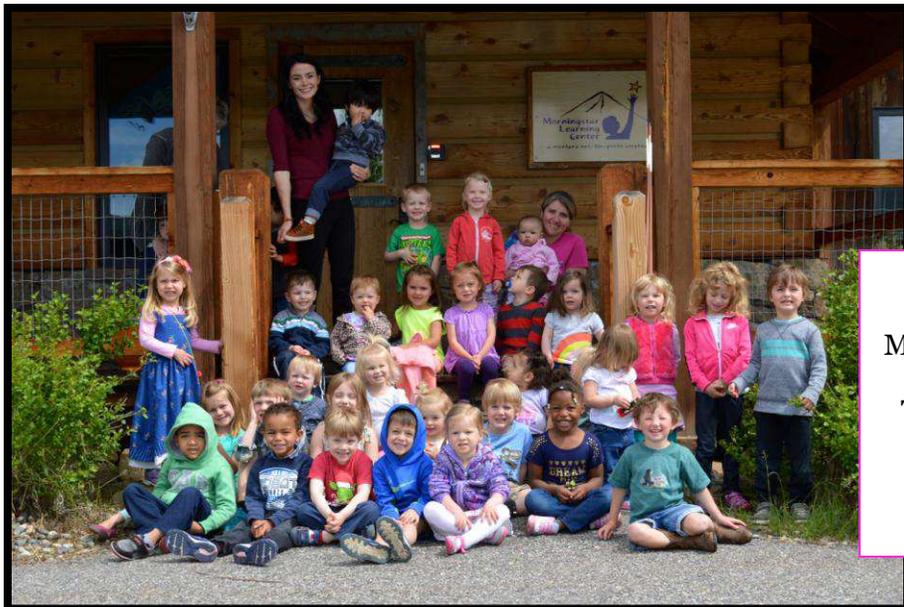

We encourage our families to let the BSRT Board members know how this funding affects them and their appreciation for all of the funding MLC has received. You may [click here](#) to access the Board Member page that lists contact information for each individual, or you may email the general inbox:

Quarterly Parent Informational Meeting

It's time for another Parent Informational Night! We are currently choosing a date in July and will include this in next week's newsletter.

THANK YOU **Moonlight Community Foundation!**

Morningstar has received a grant to cover the costs of 8 new cribs for our Infant Room. This grant will also cover \$2500 of teacher continuing education.

We are so grateful for the support of MCF and offer our sincere thanks!
