June Theme: Transportation

This next month all the classrooms will participate in activities surrounding this theme.

The **Infant Class** will make a train this week! During outside time, infants will play and explore with cars and trucks and sing the Wheels on the Bus. They will continue to learn about the letter D.

This week the **Toddler Class** is having all sorts of fun learning about the different ways to travel. They decided to keep on learning about transportation. They will continue to go over the letter "T", practice tracing the letter as well as going over the colors of a traffic light.

This week the **Preschool Class** is learning all about trains! We love our locomotives and looking forward to investigating commuter trains, high-speed rail trains, and steam engines. All aboard the Morningstar Express!

This month, the **Spanish Class** will be learning greetings in Spanish along with good morning songs that they will use to begin each Spanish lesson. Table time activities will surround the theme of transportation and each child will work on a transportation book. Below are the links to the two good morning songs:

Please be mindful of our teachers' time during child pick-up at the end of the day. They are happy to discuss your child's day with you and answer any questions you may have, but please understand they have end-of-the-day tasks to accomplish and a schedule to adhere to. *Thank you!*

Basecamp to Kindergarten: Not just for Pre-Kindergarten students!

Toddler and Preschool Families:

Make sure to check out the Basecamp to Kindergarten Activity Bags located on the top landing outside the preschool classroom. These bags are filled with educationally based games, books, and dvds. Each bag has a parent resource folder that gives families helpful tips including: establishing daily routines, tips for raising readers, and how to teach your child to tie their shoes. These bags are designed to help children learn skills that will eventually help them find success during their kindergarten year. There is a check out sheet on the wall outside the Preschool door. Come and give them a try!
