

# Morningstar Learning Center Newsletter

March 31, 2017

## Important Dates

Mar. 31	Process April Billing
April 12	Community Library Storytime
April 13	MLC Board Meeting

## Director's Desk Summer Enrollment

Many families in our community are looking ahead at their summer plans. MLC gives first priority in classroom placement to currently enrolled families. I have a growing Wait List for families not regularly enrolled wanting to enroll their children for Summer Quarter.

Many of you have chosen to take time off from MLC during the off-season, so summer enrollment may not be on your mind. Even though Summer Quarter Enrollment is not due until May 15, I would appreciate if you submit your plans as soon as you know them so I can give these other families more accurate information regarding availability.

## Spring Cleaning Time!

All the classrooms are cleaning out cubbies! Please take all of your child's belongings out of their cubby so teachers may clean and assign new cubbies to all students. Thank you!

## Friendly Reminder

As the weather gets nicer, many families are out and about during the day. Sometimes this can mean being out of cell service.

Please make sure your **EMERGENCY CONTACTS** are updated.

## Guidance Classes

This week Ms. Danielle met with the Toddler and Preschool classes to teach about *kindness*. The Toddlers practiced using the kind words "Please" and "Thank You" while the Preschool class practiced giving complements.

Encourage your children to practice these skills outside of school!

## March Theme: Weather

*This next month all the classrooms will participate in activities surrounding this theme.*

The **Infant Class** has learned about the letter "A" and its sound. This week they will start on the letter "B". With warmer weather starting, they will be outside more. Ms. Karen would like to have small **EASTER BASKETS** for the children, and dye eggs. Please let her know if you have any concerns regarding this.

The **Toddler Class** will be learning the letter "E". They will be creating different types of **SPRING FLOWERS** throughout the week as well as practicing their frog jumping skills. They will practice counting with the new song 5 Little Ducks.

Goodbye Winter, Hello Spring! This week the **Preschool Class** will be discussing the life cycle of chickens, hatching vs. live birth, and various sizes of animal babies. They may even have a fuzzy visitor. This is sure to be the cutest week ever!

## Vaccinations

State law requires all students to be updated on their vaccinations. Please remember to submit your updated vaccination records when you take your child(ren) in for check-ups. **Thank you!**

## OPHIR SCHOOL 2017-2018 KINDERGARTEN ROUND UP

*Students Entering August 2017*

Who are 5 years old on or before 9/10/17
