Drive with Caution!
As our Infant Building construction continues, traffic around MLC is challenging. Please drive slowly, especially during pick up and drop off times when children and their families are on the road.

Director's Desk

We are excited to welcome **Sonya Henry** back to the MLC Team!

Ms. Sonya worked primarily in the Toddler's room this last year and took the summer off. She is back as a part-time teacher's aide and will serve as a floater in the preschool and toddler classrooms.

Stephanie's Office Hours: Tuesday-Wednesday 8:30am-10am

Lori's Office Hours: Thursday and Friday 8:30am-10am

Or by appointment

MLC FOOD DRIVE

We are going to be doing a food drive this week for our local Food Bank. Please have kids help pick out foods they would like to donate. We are learning about Community Service and how they can help our local community.

Montana Corn Maze
MLC will take a field trip to the Montana Corn Maze on Wednesday, Oct. 25th. We need parent volunteers!

Halloween Party

MLC will be having a Halloween party on Oct. 31st. Please bring in your child's costume and after nap the teachers will put them on. Parents are encouraged to come at 4pm for games and lots of fun!

**October 2017
Community Service**

The **Infant Class** will be teaming up with the Toddler Class to visit different community helpers and give them treats! The infant room teachers are working with children individually on gross and fine motor development skills based on each child's current skill level.

It's community service week and the **Toddler Class** will learn what they can do for the community. The toddlers will team up with the infants to make some special treats for the firemen, police as well as construction workers who have been working on our new infant building.

The **Preschool Class** this week will be continuing the theme of community helpers by celebrating volunteers! We have a special guest volunteer, Michelle Donaldson, from the Food Bank joining us Friday. She will be talking about how she helps the community.

This month the **Spanish Class** will continue practicing our good morning song, days of the week, months of the year, and numbers 1-31 for the calendar.

In addition this month we will learn our vowels, saying how old are you- Cuantos años tienes tu? My name is- yo me llamo...

Here is a link to a vowel song they will be learning this month.

This month the **Dance Class** will be learning hip-hop!

A HUGE THANK YOU
to Dr. Maren Dunn-Chandler for being a guest speaker this last
