MOONLIGHT
COMMUNITY
FOUNDATION

MLC has been the recipient of a grant from Moonlight Community Foundation to help cover the costs to build a NEW developmentally age appropriate Infant Playground! We are so grateful for the continued support of MCF and offer our most sincere thanks!

MLC Landscaping

Now that the Infant Center and Parking lot are finished, it's time for landscaping! **We need your help on August 11, 2018 at 8 am!!** Big Sky Landscaping employees are donating their time and expertise on heavy equipment, but we need your helping hands!! You do not need experience, you just need to show up. MLC will be providing food and drinks. Please let us know if you can help by emailing Matt Dodd at matt@doddlawfirm.com.

THANK YOU!

COMMUNITY FOUNDATION
BIG SKY, MONTANA

Morningstar has been the recipient of a grant from Spanish Peaks Community Foundation that was specifically written for our Family Assistance Scholarship Program! We are so grateful for their continued support in our Family Assistance Program and offer our most sincere thanks!

Spanish and Dance Class

This month in **Spanish**, Ms. Karla will be teaching the Pledge of Allegiance in Spanish. They will also be learning different vehicles and a new song, "Los pollitos dicen pio pio"

This month dancers will continue to work on their tumbling. We have done well with our somersaults, head, and hand stands and will progress to some bridges and cartwheels. The end of the tumbling sessions consists of some jumping to specific places on the floor and stretching.

July Water Week

In the **Infant Class** this week is all about summer fun in the water. We will be talking about things in and out of the water. The kids will do lots of fun art work and get to play in the water table. So this week please make sure your children have extra cloths. We are going to get wet playing with the water

The **Toddler Two** class will be talking about boats and things that float! We will make foil boats and find out how many marbles it takes to sink it. We will make our own paper plate boat and find out what objects in our room float.

This week is water week! Our **Preschoolers** will learn about what water is made up of and how the water cycle works. We will be having some fun under the sun this week with many water activities outside. Please bring your child's swimming suit to change into after nap and a towel to dry off along with an extra change of clothes.
