## July Music & Rhythm

In the **Infant Class** this week it's going to be full of music and dance. We will be teaching the children about all different instruments and learning how to dance. We will be making art projects and doing a volume science experiment. If it gets too loud in our building don't worry we are just starting our own band!

This week the **Toddler Two's Class** will be dancing their way through the week as they explore movement, music and rhythmic instruments!

In **Preschool** this week, we will be learning about music and rhythm. We are excited to explore sounds we can make ourselves! We will be learning that music connects to literacy and math! Please send in an empty tissue box or empty plastic container with a flat bottom for your child to create their very own instrument! Please be sure to label the item with your child's name.

#### Farewell & Welcome

We would like to say farewell to Ms. Alicia. Ms. Alicia has been working in our Toddler Three's room for the past few months. We want to wish the best of luck with her new endeavors.

**Welcome Ms. Sydney!** Ms. Sydney will be starting next week in our Toddler Classrooms. Ms. Sydney recently graduated from University of Redlands and just relocated from Steamboat Springs. Before relocating Ms. Sydney was teaching Geometry and Chemistry at Steamboat Mountain School and cannot wait to get back in the classroom with the little ones!

**Stephanie's Office Hours:**  
Monday, Thursday & Friday 8:30am-10am

**Lori's Office Hours:**  
Tuesday & Wednesday 8:30am-10am

### Fall Quarterly Enrollment

Fall Quarterly Enrollment is due August 15th! Our Infant and Toddler Three's Programs are very full! All enrollment is on a first come first served basis. Please send in your dates on or BEFORE August 15th.

### Spanish and Dance Class

This month in **Spanish**, Ms. Karla will be teaching the Pledge of Allegiance in Spanish. They will also be learning different vehicles and a new song, "Los pollitos dicen pio pio pio"

This month dancers will continue to work on their tumbling. We have done well with our somersaults, head, and hand stands and will progress to some bridges and cartwheels. The end of the tumbling sessions consists of some jumping to specific places on the floor and stretching.

Please send your child to school with **COLD LUNCH** so that students may eat outside without teachers leaving to go heat up lunches inside.
