In the **Infant Class** it's all about the U.S.A.! We are going to be talking about what the 4th of July is all about. Along with talking we will be doing projects for the 4th of July.

This week the **Toddler Two's Class** will start celebrating The 4th of July a little early as we make red, white, and blue crafts, learn that we live in America, and paint fireworks!

Spanish and Dance Class

This month in **Spanish**, Ms. Karla will be teaching the Pledge of Allegiance in Spanish. They will also be learning different vehicles and a new song, "Los pollitos dicen pio pio pio"

This month dancers will continue to work on their tumbling. We have done well with our somersaults, head, and hand stands and will progress to some bridges and cartwheels. The end of the tumbling sessions consists of some jumping to specific places on the floor and stretching.

This week the **Toddler Three's** will be celebrating 4th of July! We will be looking at our flag and what it means, while getting our fireworks ready to have a party together!

Resort Tax Board Update

On Monday, June 18, the Big Sky Resort Tax Board voted and approved MLC's ask for \$113,450 to fund our Tuition Reduction Program. This is the \$10/day discount per child that each local family receives.

We are incredibly thankful for the BSRT Board's ongoing support of our facility. With this money, we have been able to offer more affordable tuition and can continue to do so through June 2019.

We encourage our families to let the BSRT Board members know how this funding affects them and their appreciation for all of the funding MLC has received. You may email the general inbox: info@resorttax.org

During the week of the 4th of July our **Preschoolers** the theme is patriotism! We will learn about what patriotism means along with why we celebrate Independence Day. We will talk about what Independence Day means to us individually and the importance of safety if/when around fireworks. Our preschoolers will also be exploring the different aspects of a flag and create their very own!

Cold Lunch

Please send your child to school with cold lunches during Summer Quarter. Many days the Preschool and Toddler Classrooms go outside for snack and lunch and don't have access to microwaves.

Fall Soccer

Registration for the fall season is now open and if you sign up this week you get a \$15 discount.

Go to: <http://www.blitzzfc.org> and login in to register. Once we know who is playing, we will figure out what the best team configuration will be. If you know anyone that has not played before, but is interested, please pass this information on to them as well (especially to-be kindergartners).

I also wanted to let you know that Big Sky is currently working on getting our own futbol club. Big Sky Futbol Club is starting with a high school team and getting them up and running this fall and spring. The *hope* is to have teams for the younger players in the fall of 2019. This is so exciting and we have some dedicated individuals running with it. I am stoked to be involved! I will keep you apprised as this develops, but please let me know if you have any questions.

Hope you are having a great summer and I hope to see you soon!!
