Spanish and Dance Class

During the month of April, the **Spanish Class** will be learning how to say the names of all the different animals that live on a farm! They will even learn how to say moo, baa and neigh in Spanish!

This month the **Dance Class** will be expanding their ballet vocabulary. We will explore fourth and fifth position, and learn about tendues and getting our feet to really point. Additionally we will work on putting these concepts together in a combination to help connect the terms and movements that go with them.

Summer Enrollment

Please start thinking about what your summer plans may be! Priority Summer Quarterly Enrollment is due **May 10, 2018!** Summer Quarterly Enrollment includes all the dates you would like to enroll your child for June, July and August.

Please be advised that our classrooms are at maximum capacity and we have multiple families on our summer waiting list. **Enrollment is entered on a first-come-first-served basis.** If your enrollment is not in by May 10, we cannot guarantee you will get your requested dates.

If you are interested in applying for the MLC Scholarship, please have your applications turned in to Elex McAlear at First Security Bank by **May 10**, as well.

Rotary Club Technology Grant

The Rotary Club has approved a technology grant request for the Toddler Classrooms! This grant was written to cover the cost for a projector for each classroom, 18 Leap Pads, a technology cart and 3 bulletin boards. We are so grateful to the Rotary Club of Big Sky for their generous grant that will better prepare the toddlers' for our Preschool Program. The impact this will have on our students' early childhood experience will be immeasurable!

THANK YOU!

The **Infant Class** will be learning about life on the farm. They will learn about all the fun and exciting animals as well as the sounds they make. Since they are learning about farm life this week, Ms. Mindy and Ms. Karla said its dress like a farmer week! YeeHaw!

This week the **Toddler Two's Class** will have fun learning about zoo animals.
