Spanish & Dance Class

This month in **Spanish**, Ms. Karla will be teaching the Preschoolers action words! They will also continue practicing their Good Morning song, Days of the Week, Months of the Year, ABC's and a new song that will include their newly learned action words!

Song: [La Gallina Josefina](#).

This month the **dancers** will continue to go over first, second, and fourth position as well as reviewing plies. We will move on to covering tendus, the straightening of the leg to any direction and pointing the toe, and passes, the connection of the pointed toe to a knee. These tendus and passes will turn into ballet walks and passe walks which the dancers will practice moving across the floor. We will end the lessons with the freeze dance! Use the [link](#) to find a picture of what a retiré looks like, another name for passe in different schools of ballet.
