## Quarterly Enrollment Policy Update

Quarterly Enrollment Policy helps MLC predict long-term staffing and financial needs while allowing families flexibility with scheduling. Families are required to give their enrollment dates 3 months in advance. **MLC's Quarterly enrollment will now be due the 1st of the month**, due to high enrollment needs. In an effort to be accommodating, if families notify MLC 30 days or more in advance of absences (for example: vacations), they will be charged 50% of their tuition.

**Spring Quarterly Enrollment and MLC Scholarship Applications are due February 1st!**

## December & January Snow

The **Infant Class** will be learning about snow. Not only will we be learning about snow but we will also learn the sign for snow. We will be doing a science project on Friday along with lots of new artwork.

The **Toddler Two's Class** will be learning about snow! We will be talking about what we wear outside to keep warm in the winter and we will also be making snow globes.

## Clocking In & Out

Parents please remember to sign your child in and out when they are here. This is very important for us to track their attendance. If you forgot the code or need our assistance please come and ask Stephanie Byam or Lori Van Eds.

## December 31 New Year's Eve Sledding Party

December 31 after snack (11:00am) MLC students will walk to the sledding hill next door for a fun filled day of sledding. If your child is not signed up for the day but you would like to join in on the sledding, please let Stephanie or Lori know!

*Your child must wear a ski helmet to be able to participate.*

### Dance Class

This month, and through the spring semester, the dancers will switch their focus from ballet to acrobatics! We will begin class with stretching, some balance drills, and then jumping exercises to warm up our bodies. From there, each month will have one or two particular aerobic moves to work on. This month it will be somersaults! Each lesson will end with a freeze dance to let the dancers work on the new tricks we have practiced and be creative with musical choices.

### Spanish Class

This month is Spanish, Ms. Karla will be teaching the Preschoolers their numbers 1 through 20 as well as continuing to practice colors. The students will also get to play a fun number game called "Mano Nerviosa"
