Quarterly Enrollment Policy Update

Quarterly Enrollment Policy helps MLC predict long-term staffing and financial needs while allowing families flexibility with scheduling. Families are required to give their enrollment dates 3 months in advance. **MLC's Quarterly enrollment will now be due the 1st of the month**, due to high enrollment needs. In an effort to be accommodating, if families notify MLC 30 days or more in advance of absences (for example: vacations), they will be charged 50% of their tuition.

Spring Quarterly Enrollment (March, April, May) and MLC Scholarship Applications are due February 1st!

We will begin class with stretching, some balance drills, and then jumping exercises to warm up our bodies. From there, each month will have one or two particular aerobic moves to work on. This month it will be somersaults! Each lesson will end with a freeze dance to let the dancers work on the new tricks we have practiced and be creative with musical choices.
